CORE VALUES

BE ACTIVE AND INVOLVED! In addition to students and teachers, our school community includes parents, guardians and community members. Everyone is encouraged to communicate, share ideas and be involved through volunteering or participation in school activities and events.

COMMITMENT TO ACADEMIC EXCELLENCE! Each student at the Thomas Carroll Elementary School is challenged to reach his/her highest potential, as well as, to become a well rounded individual.

GOOD CITIZENSHIP! All members of our community strive to be good citizens. We celebrate our diverse community and provide equal opportunity for all in a safe, respectful and positive environment. We seek out opportunities to practice volunteerism and charitable acts both in and out of school.
