Moms, dads, and caregivers and their children are welcome, Playgroups are a wonderful chance for your child to be with other kids and participate in new activities, and develop social skills such as taking turns, sharing, cooperating and solving conflicts. Playgroups are also a chance for parents to enjoy each other's company where they can ask questions, share concerns and meet new friends.

Parent, Caregivers and their families are welcome to stop in. We are currently serving families with children birth – 8 years of age. The Family Engagement Center is set up as a warm inviting, creative learning environment to motivate children and their parents to engage in activities. The center has a block and manipulative area. As well as a literacy area where children/ parents can choose a book of their choice and read together on a soft rug or bean bag chair.

We also have a Parent information area with community resources and a free clothing area. This is a wonderful space for parents to meet and talk with one another. Free Parent workshops, Family field trips and activities will be offered. We look forward to meeting you and your family.
